

DEVIATED FIXED ROUTE SERVICE

The service operated is a “deviated fixed route service” and operates on a designated bus route. When time allows, the bus can deviate from its designated route and stop at alternate locations. Requests for route deviation must be made through the transportation coordinator at (856) 451-8920 x108 during normal business hours.

SUGGESTED FARE FOR SERVICE

As part of our sustainability plan to ensure this service continues, each rider is encouraged to pay \$1 per trip per person. Fares must be placed in the secure fare box on the transit bus.

Drivers do not carry cash and cannot make change. Driver has no access to fare box contents.

PASSENGER SAFETY

Passengers are required to remain seated with seat belts fastened until the bus comes to a full and complete stop. Child safety seats are provided for children under 8 years of age or 80 pounds at Gateway Community Action Partnership and Glen Park Townhomes. All children under the age of 18 are required to be accompanied by parent or legal guardian.

REGISTRATION FOR SERVICE

While pre-registering for service is not required, we require all passengers to complete and return a registration form within 7 days of the first service use. Registration forms are available from the driver or on the website at www.gbatnj.org.
